

COVID-19 – CUSTOMER SITE PROTOCOLS (SALES)

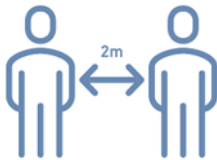

Introduction

During these unprecedented times our primary goal is keeping you safe, keeping you working. We understand that safety is paramount for all businesses, particularly mitigating the risk of spreading COVID-19 at this time.

NOTE: Also, refer to Risk Assessment RA60 – COVID-19.

Customer Site Protocols

All our Sales Team will maintain the following protocols:

Maintain social distancing, this includes remaining at least 2m apart and avoid hand shaking.

Wash hands or use hand gel for 20 seconds before and after working on equipment.

Wear a face mask if social distancing of less than 2m with other colleagues or site employees cannot be met, while keeping the time to a minimum.

Or the wearing of face mask is required by the Customer Site.

Wipe the equipment before and after demonstration using a sanitiser wipe

Paperwork to be sent electronically to be signed by Customer
